## **XPO ACHIEVES HIGH RANKING ON INC. 5000'S LIST**

### ***Ranked 110 in Logistics & Transportation Services Nationwide***

**Torrance, Calif. – Oct., 2011** –XPO, a leading provider of international and domestic mailing services, announced today its new *Inc.* 5000's list of "Fastest Growing Private Companies in America" rankings. The esteemed list is an elite ranking of the nation's fastest-growing private companies comprised of innovative entrepreneurs. This year, XPO achieved a string of high rankings. They ranked 110 in their Logistics & Transportation category, 247 in Los Angeles Metro area, 623 in California and the 647<sup>th</sup> ranked Top Women Run Company nationwide.

*Inc.* 500/5000 is ranked according to percentage revenue growth from 2007 through 2010. To qualify, companies must have been founded and generating revenue by March of 2007. Additionally, they had to be a U.S. based, privately-held, independent company.

"Our business growth continues to be driven by offering the best mailing solutions package in the industry. Achieving these high rankings in so many categories is just icing on the cake," said Kelly Martinez, CEO of XPO. "In the face of a challenging economy, more companies than ever are taking advantage of our free Postal Evaluation, which includes a 100% customized solution, molded to the particular company's needs. Once they see the combination of savings and improved efficiencies, it is an easy choice. That is why we continue to grow."

XPO's comprehensive pricing is another reason for their growth. Most competitors have hidden surcharges. XPO's pricing allows customers to accurately forecast and control their costs, which has become critical in this turbulent economic climate. XPO is structured to allow for tailored mailing solutions to fit their clients' needs, something else that is not common in this industry.
